Re: Office of Inspector General (OIG)
First Quarter Fiscal Year (FY) 2019 report

Dear Criminal Justice stakeholder:

Attached to this letter you will find the first quarter incident reporting and investigation statistics for the Incident Reporting Center and investigative functions of the OIG. During this first reporting quarter for FY 19, the OIG was still heavily engaged in recruiting, hiring, and training a team of security professionals to assume the responsibility of entry searches, gatehouse operations, and perimeter security at the five secure facilities. Additionally, as a part of assuming this contraband detection and investigative responsibility, the OIG was able to acquire an x-ray machine for each of the five facilities to more efficiently and effectively inspect the personal property of staff, visitors, and volunteers. More importantly, these x-ray machines will also be used to screen incoming mail and packages for criminal contraband such as illegal weapons, phones, currency, and illicit drugs and medication.

Over the past three months, the OIG has continued collaboration with the leadership of State Programs and Facilities, Executive Administration, Office of the General Counsel, and the Office of the Independent Auditor on standardizing a number of practices and procedures to enhance safety and security at the five state facilities. One specific area of collaboration included revisions to existing internal policies to strengthen the background checks of some visitors and volunteers. OIG also assisted State Programs and Facilities by providing advance work, law enforcement liaison, and additional security resources as the Gainesville and Giddings' boys football teams played in the state six (6) man playoffs and championship games in Waco.

At the end of the 1st quarter, the OIG criminal team presented a total of 40 cases for prosecution, made 41 arrests, received notice of 15 new indictments, and 25 convictions. Also of note, you can see that there were a total of 108 case declinations, which include 92 criminal cases that were taken into consideration in another criminal prosecution. Essentially, those 92 cases were dismissed as part of an agreement between the state and the accused. As you can see by the attached reports, the majority of these arrests are for felonious assaults on staff members.

At the same time, the OIG Administrative Investigative team initiated a total of 510 abuse, neglect, and exploitation investigation independently or simultaneously of the OIG Criminal Investigations team at state or contract care facilities. The team was able to close a total of 114 investigations during the quarter, confirming 15 cases, unfounding 83 cases, while designating the final 11 as unable to determine. The average days to disposition on these cases was a total of 31, which is an improvement of FY18 when it was 69 during the same quarter. During the first quarter of FY19, the OIG County Investigative team investigated a total of 132 cases of abuse, neglect, and exploitation at county pre-adjudication (detention), post adjudication, and other facilities and programs. Of those investigations, 86 cases were ruled out, 10 were ruled as unable to determine, 4 concurred with internal investigations, and 15 cases were ruled as reason to believe (abuse, neglect, or exploitation).

During this quarter, there were two significant arrests, and one conviction that I would like to highlight that exemplify the strong interagency cooperation that OIG works strongly to achieve. Both cases originate in Brownwood, one from the state juvenile correctional facility, and the other from a contract care facility. The first involved an offender that was convicted for a felony Assault on a Public Servant, and received eight (8) years confinement in the Texas Department of Criminal Justice. The OIG wishes to thank the Brown County Sheriff for assisting TJJD in temporarily housing the offender, thereby putting his own staff in jeopardy, while the case was pending with the Special Prosecution Unit which also expedited the case. The second case involves a staff member at a contract care facility that was arrested by OIG for the 2nd degree felony offense of Improper Sexual Activity with a Person in Custody. That investigation, which was presented the case to the Brown County District Attorney's Office, was a cooperative effort between the Brown County Sheriff Department, OIG – County Investigative Team, and the OIG – Criminal Investigative Team.

Finally, the OIG is very proud to announce that Assistant Chief Xavier Casares as the first member of OIG to graduate from the Texas DPS Command College, which is a leadership development program run in cooperation with the University of Texas. OIG, the Texas Alcoholic Beverage Commission, and the Texas Game Wardens were all allowed to send a candidate to attend this program at the DPS Academy in Austin. We are very grateful to the Director Steve McGraw and his staff at the Texas DPS for allowing OIG to participate, and to help grow and develop the leadership resources at this agency.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read 'F A Mitchell', with a long horizontal flourish extending to the right.

Forrest A. Mitchell, FBINA-233, LCC-62
